INTRODUCTION

Ade Ojuri & Partners is a dynamic firm of Project Managers, a network of Architects, Structural Engineers & Quantity Surveyors.

We have successfully executed numerous outstanding projects in the past, and continue to enjoy being commissioned on new projects due to several years and wealth of experience acquired by members of our staff.

We can also undertake total design consultancy services as a consortium in association with other reputable consultancy firms if desired.

We are still being commissioned on outstanding new projects due to several years and wealth of experience acquired by members of staff.

The company has a fully equipped design office. Our integral design and working drawing services are fully computerized on CAD ranges from -Bentley Microstation, Auto-Cad, Revit Architecture, 3D Max etc making us to achieve set deadlines,

We also undertake projects on Design & Build basis and in association with other reputable consultancy firms if required.

SCOPE OF SERVICES RENDERED:

A. i. Building up of briefs from client's requirements.

ii. Preparation of feasibility studies and technical appraisal of projects.

B. Design and supervision of various types of buildings, and project planning. such as;

► Office blocks, ► Commercial Building ► Industrial factory and warehouse Buildings. ► School and Institutional Buildings. ► Housing estates. ► Hotel and Gastronomy. ► Hospital and other medical buildings.

► Cinema and General Entertainment Buildings. ► Landscape architecture. ► Mosques and Churches.

We have successfully executed numerous outstanding projects in the past, and continue to enjoy being commissioned on new projects due to several years and wealth of experience acquired by members of our staff.
